Central Intelligence Agency <i>Sophomores</i> <u>Date:</u> Summer 2010 <u>Location:</u> DC	<i>Undergraduate Internship Program – Analysis(Paid)</i> Our undergraduate internship program seeks motivated undergraduate students to serve internships in the analytic offices and centers of CIA's Directorate of Intelligence. Undergraduate interns work on teams with our full-time analysts. They research, analyze, write, and brief on international political, military, economic, scientific, technical, and leadership developments. In addition to their analytic responsibilities, undergraduate interns become familiar with the Agency and Intelligence Community by participating in a range of meetings and projects. We are looking for students with a variety of majors, including international affairs, area studies, economics, geography or physical sciences. https://www.cia.gov/careers/jobs/view-all-jobs/college-students-analytical-positions/index.html	11/1/2009
Central Intelligence Agency <i>Sophomores</i> <u>Date:</u> Summer 2010 <u>Location:</u> DC	<i>Center for the Study of National Reconnaissance Internship(Paid)</i> The Center for the Study of National Reconnaissance (CSNR) is the National Reconnaissance Office's research, policy analysis, and history component. CSNR products and activities help define and explain the discipline, practice, and history of national reconnaissance. The CSNR internship offers candidates a wide range of work assignments. Interns will assist in CSNR's three program areas: Research, Studies and Analysis; History; and Recognition, Exhibits and Outreach. CSNR interns perform classified and unclassified research for briefings, presentations, oral and program histories, policy decision risk assessments, and a variety of other products. The CSNR internship is an excellent academic and professional opportunity for students in the fields of political science, history, international affairs, or similar areas of study. https://www.cia.gov/careers/jobs/support-services/view-jobs/index.html	11/1/2009
Charles C. Koch Charitable Foundation <i>Seniors</i> <u>Date:</u> 1 year starting in 2010 <u>Location:</u> Washington DC	<i>Koch Associate Program</i> The Koch Associate Program is a challenging job opportunity for professionals who are passionate about free-market ideas, and want to become more effective at advancing liberty throughout their careers. The Charles G. Koch Charitable Foundation's aim is to develop the capabilities of each Associate through the program by providing management training, professional development, and the knowledge and skills necessary to achieve their career potential. This year-long, competitively paid, program based in Washington, D.C., offers each Associate the opportunity to work full-time at a think tank, policy organization, or other non-profit organization, while also learning and applying Market-Based Management in the non-profit sector. Available positions include: Policy research and analysis; Non-profit operations; Grassroots education; Fundraising and donor relations; Communication and public relations. http://cgkfoundation.org/	3/1/2010
Defense Intelligence Agency <i>Juniors, Seniors</i> <u>Date:</u> Summer 2010	<i>2010 Summer Intern Program(Paid)</i> The Defense Intelligence Agency is a Department of Defense combat support agency and important member of the United States Intelligence Community. DIA's Summer Intern Program provides promising undergraduate seniors and graduate students the opportunity to gain practical work experience in the areas of analysis, research, report writing, oral briefings, policy development, program management, and computer applications related to the intelligence field. Interns are appointed for a 10-week period from June through August, as full-time, temporary employees. Applicant must be current enrolled in a baccalaureate or graduate degree program which is primarily focused on skills that are critical to DIA, such as: foreign area studies, computer science, business administration, human resources, public	11/1/2009

<p>ICF International</p> <p><i>Juniors, Seniors, Graduates</i></p> <p><u>Location:</u> Fairfax, VA</p> <p><u>Date:</u> Summer 2010</p>	<p><i>Summer Interns- Homeland Security and Civilian Programs</i></p> <p>ICF International is currently seeking summer interns to support the Homeland Security and Civilian Programs (HSCP) group. HSCP's internship program gives students the opportunity to gain practical, challenging and meaningful on-the-job work experience. Specifically, HSCP's interns will get the opportunity to work on program management projects across various federal agencies, such as Department of Homeland Security, Department of State, Federal Aviation Administration, and Transportation Security Administration. Internships are not clerical in nature, as interns will become a regular part of the ICF team, supporting projects and tasks throughout the business unit. Work tasks may include: program and project analysis, developing and writing management reports, market research, synthesizing information and data, proposal support, and presentation development. Students enrolled in public policy, public affairs, and business degree programs; Minimum cumulative grade point average of 3.0/4.0; Previous relevant work/internship experience strongly preferred; Undergraduate: Full-time students successfully completing their Junior year; Proficient in Microsoft Office, including Word, Excel, and PowerPoint; United States citizenship required. ICF International offers a competitive salary that is based on the number of semester hours that you have completed toward your undergraduate/graduate degree and/or previous work experience. The internship program does not provide housing but ICF will provide information on summer student housing options in the Washington, D.C. area. To apply, please submit your resume, a 3-5 page writing sample and transcript. https://jobs.icfi.com/viewjob.html?optlink-view=view-39606&ERFormID=newjoblist&ERFormCode=any</p>	
<p>ICF International</p>	<p><i>Research Assistant- Health, Education, and Social Programs</i></p> <p>The Health, Education and Social Programs (HESP) group works to improve the conditions of America's most at-</p>	

<p><i>Seniors</i></p> <p><u>Location:</u> Fairfax, VA</p>	<p>risk populations—reaching out directly to the populations in need, as well as providing strategic consulting support to human services agencies throughout the United States. If you are enthusiastic about solving social issues and making a difference in people's lives, this is the place for you. Desired degrees for the areas discussed below include social work, public policy, criminal justice, early education, education, economics, political science, sociology, public health, international health issues or other social science subject. Research Assistants at ICF have an opportunity to apply their academic knowledge, gain exposure to major projects, and interact with experts in the field, while building content knowledge and consulting skills. Research Assistants advance in our consulting practice or go on to outstanding graduate programs around the country. Research Assistants must have excellent written and oral communications skills, attention to detail, computer proficiency, and the ability to multitask under strict deadlines in a fast-paced environment.</p> <p>https://jobs.icfi.com/viewjob.html?optlink-view=view-39966&ERFormID=newjoblist&ERFormCode=any</p>	
<p>Institute for Women's Policy Research</p> <p><i>Seniors</i></p> <p><u>Location:</u> DC</p>	<p><i>Program Assistant(Entry-Level)</i></p> <p>The Institute for Women's Policy Research (IWPR) is an independent, non-profit, scientific research organization, with approximately fifteen staff members. Established in 1987, the Institute conducts research on policy issues of critical importance to women and their families, including employment and earnings, work/life issues, poverty and income security, and health. The Program Assistant will serve as administrative assistant to the Executive Director, including maintaining calendar, scheduling travel, filing, copying, preparing for meetings and presentations, and contributing to literature reviews. The Assistant will also perform a variety of administrative support tasks for the Institute as a whole, including providing basic computer support and troubleshooting computer needs for the 15-person Institute staff, and maintaining information resources. Candidates should have a Bachelor's degree, an interest in women's issues, previous office work experience and excellent computer skills. Candidates should also demonstrate keen attention to detail, excellent writing and interpersonal skills, and the ability to multi-task and juggle diverse projects and deadlines.</p> <p>http://www.iwpr.org/About/employment.htm#staff</p>	<p>Until Filled</p>
<p>Institute for Women's Policy Research</p> <p><i>All Years</i></p> <p><u>Location:</u> DC</p>	<p><i>Research, Communication & Outreach, and Development Internships</i></p> <p>All IWPR interns must have good computer skills, excellent writing and communication skills, and an interest in women's issues. Prior office experience is desirable, as interns are responsible for a certain amount of general office work, such as photocopying, answering phones, filing, and maintaining the library. Summer internships run for a period of 10 weeks, beginning in May or June and ending in July or August. Starting and ending dates are flexible. Interns receive a stipend of \$100 per week.</p> <p>http://www.iwpr.org/About/employment.htm</p>	<p>3/2/2010</p>
