Art/Museums/Music/History		
<p>Gilder Lehrman Institute of American History</p> <p><i>Sophomores, Juniors</i></p> <p><u>Date:</u> 6/28 – 8/ 1, 2009</p> <p><u>Location:</u> New York, NY</p>	<p><i>Gilder Lehrman History Scholars Program (Paid)</i></p> <p>The Gilder Lehrman History Scholars Program, inaugurated in 2003, is a competitive summer scholarship program in American history for outstanding college sophomores and juniors. Scholars conduct primary-source research to prepare historical materials for publication. The projects provide the students with an opportunity to work with original documents in the Gilder Lehrman Collection and other archives. The students also have exclusive meetings with eminent historians to discuss historical issues and gain insight into history as a profession. History Scholars receive a stipend of \$2,200, along with room, board, and a \$600 travel allowance for a five-week program in New York City.</p> <p>http://www.gilderlehrman.org/teachers/student2.html</p>	<p>3/3/2009</p>
<p>Anacostia Community Museum (ACM)</p> <p><i>All levels</i></p> <p><u>Date:</u> Summer 2009</p> <p><u>Location:</u> Washington DC</p>	<p><i>Summer Internship</i></p> <p>The Anacostia Community Museum is dedicated to the documentation and preservation of American history and culture from an African American and community based perspective. Major initiatives focus on building effective models for documenting and preserving community and family history. To this end, the museum works with community organizations, neighborhood groups, civic organizations and other groups around the country to identify, document and preserve materials of historical importance and to develop community self-studies; with churches, mosques, and other religious institutions to preserve and document their histories; and with families to celebrate and document African American family history. The museum's permanent collection, archives, and photo archives offer scholars interested in African American material culture excellent opportunities for research and professional development. Internships are also available in the fields of Special Events, Public Relations, and Graphic Arts.</p> <p>http://anacostia.si.edu/Volunteers.htm</p>	<p>Until Filled</p>

<p>Architect of the Capitol</p> <p><i>All Levels</i></p> <p><u>Date:</u> Summer 2009</p> <p><u>Location:</u> Washington DC</p>	<p><i>Architectural Aide, Archives Aide, Computer Aide, Curatorial Aide, Photography Aide</i></p> <p>The Architect of the Capitol is responsible to the United States Congress for the maintenance, operation, development, and preservation of the United States Capitol Complex, which includes the Capitol, the congressional office buildings, the Library of Congress buildings, the Supreme Court building, the U.S. Botanic Garden, the Capitol Power Plant, and other facilities. The vacancies in this announcement are being advertised under the Architect of the Capitol's (AOC) Summer Employment Program. This program allows students to work during the summer in one of the AOC jurisdictions. The salary is \$11.61 per hour.</p> <p>www.aoc.gov</p>	<p>2/6/09</p>
<p>Blue Lake Fine Arts Camp</p> <p><i>All levels</i></p> <p><u>Date:</u> 6/22-8/23</p> <p><u>Location:</u> Blue Lake, MI</p>	<p><i>Musician Camp Counselors</i></p> <p>Salary \$1,400-\$2,300 (based on experience) plus room, board, and extensive performing & educational opportunities. Staff duties include living with and supervising 10-12 campers, assisting with recreational and social activities, work 15-20 hours a week at a specific assignment (performing ensembles for musicians) and consistently acting on all campers' needs. PERFORMING EXPERIENCE FOR COLLEGE MUSICIANS!: vocalists, violin, viola, cello, bass, flute, oboe, bassoon, clarinet, saxophone, trumpet, french horn, trombone, euphonium, tuba, percussion, piano, harp. Musicians have the opportunity to perform with faculty in the Blue Lake Festival Band, Orchestra, Jazz Band, Choir, or chamber ensembles as part of their work assignment. Teaching positions with junior campers are available for those who qualify. Placement based on recorded audition.</p> <p>http://www.bluelake.org/staff_positions.html#musical_opportunities</p>	<p>Rolling</p>
<p>Center for Folklife and Cultural Heritage</p> <p><u>Date:</u> Summer</p> <p><u>Location:</u> Washington DC</p>	<p><i>Internship</i></p> <p>Internships are offered year-round in the fields of folklore, cultural anthropology, and ethnomusicology of the United States and other countries. Intern projects often center around research for, design and production of the Smithsonian Folklife Festival, Smithsonian Folkways Recordings, Smithsonian Global Sound, the Folklife Archive, educational outreach projects, or video projects.</p> <p>http://www.folklife.si.edu/opportunities/fellowships.html</p>	<p>3/15/2009</p>
<p>Cloisters Museum</p> <p><i>First Years, Sophomores</i></p> <p><u>Date:</u> 6/8-8/7/2009</p> <p><u>Location:</u> NY City</p>	<p><i>The Cloisters Summer Internship for College Students (Paid)</i></p> <p>This nine-week internship is for undergraduate college students, particularly first- and second-year students who are interested in art and museum careers, enjoy working with children, and have an interest in medieval art. Participants join the Education Office of The Cloisters, the branch museum of The Metropolitan Museum of Art devoted to the art of medieval Europe. Intensive training prepares interns to conduct gallery workshops for New York City day campers and to develop a public gallery talk. A stipend of \$2,750 will be provided.</p> <p>http://www.metmuseum.org/education/er_internship.asp#cloisters</p>	<p>1/6/2009</p>

<p>Hirshhorn Museum and Sculpture Garden (HMSG)</p> <p><i>All levels</i></p> <p><u>Date:</u> Summer</p> <p><u>Location:</u> Washington DC</p>	<p><i>Internship</i></p> <p>Each year a number of undergraduate and graduate internships are available at the Hirshhorn Museum and Sculpture Garden. Internships are offered during the summer, spring, and fall/winter semesters, and academic credit may be arranged through the intern's school. International students are encouraged to apply. While internships are unpaid appointments, they provide an excellent foundation for future museum work or art-related careers. Departments that offer internships include: Curatorial Division, Education Department, Exhibition and Design Department, Conservation Department, Public Affairs. Applicants should have 15 semester hours of art history or equivalent academic preparation, with a grade point average of 3.25 for undergraduates. A specialization in modern and contemporary art history is helpful.</p> <p>http://hirshhorn/education/internships.html</p>	<p>3/1/2009</p>
<p>Horticulture Services Division (HSD)</p> <p><i>Internship</i></p> <p><u>Date:</u> Summer 2009</p> <p><u>Location:</u> Washington DC</p>	<p><i>Internship</i></p> <p>The Horticulture Services Division manages the grounds of the Smithsonian museums in Washington, D.C., and develops horticultural displays and exhibitions in exterior and interior museum spaces that are enjoyed by millions of visitors each year. HSD internships provide practical learning experiences in the extremely diverse field of horticulture. Assignments vary from one specific project to a broad range of activities in the many HSD branches including garden and grounds maintenance, greenhouse production, landscape design, collections management (orchids, garden furnishings and horticultural artifacts, and garden archives), integrated pest management, and educational outreach.</p> <p>www.gardens.si.edu/horticulture/res_ed/intern/intern3.htm</p>	<p>2/15/2009</p>
<p>Metropolitan Museum of Art Juniors, Seniors</p> <p><u>Date:</u> 6/ 8–8/ 14, 2009</p> <p><u>Location:</u> NY City</p>	<p><i>Summer Internship Program</i></p> <p>This ten-week internship is awarded each summer to college juniors, seniors, and recent graduates who have not yet entered graduate school. Interns help with departmental projects (curatorial, administrative, or educational), give gallery talks, and assist at the Visitor Information Center. Applicants should have a broad background in art history. Applicants must have completed their junior year to be eligible for this internship. A stipend of \$3,250 will be provided.</p> <p>http://www.metmuseum.org/education/er_internship.asp#cloisters</p>	<p>1/9/2009</p>
<p>Metropolitan Museum of Art Seniors</p> <p><u>Date:</u> 6/8-12/4/2009</p> <p><u>Location:</u> NY City</p>	<p><i>Six-Month Internship (Paid)</i></p> <p>Graduating college seniors, recent graduates, or graduate students in art history or related fields are eligible for this six-month internship. Interns are placed in one of the Museum's departments, where they help with projects that match their academic background, professional skills, and career goals. Interns participate in the two-week Summer Internship Program orientation. Full time: five days, thirty-five hours per week. Stipend: \$11,000</p> <p>http://www.metmuseum.org/education/er_internship.asp#cloisters</p>	<p>1/9/2009</p>

<p>Metropolitan Museum of Art</p> <p><i>Seniors</i></p> <p><u>Date:</u> 6/8/2009-5/18/2010</p> <p><u>Location:</u> NY City</p>	<p><i>Editorial and Design Internship in Educational Media (Paid)</i></p> <p>Educational Media offers a twelve-month internship designed for recent college graduates in design, education, art history, or related fields who want to participate in the production of print and online publications created for families, teachers, students, and the general museum public. The internship is multidisciplinary, but focuses on the development of editorial and design skills. No previous production experience is necessary; however, undergraduate coursework in at least one of the aforementioned areas is required. Strong and varied computer skills are required. The intern must participate in the two-week Summer Internship Program orientation. Stipend: \$25,000</p> <p>http://www.metmuseum.org/education/er_internship.asp#cloisters</p>	<p>1/9/2009</p>
<p>Museum of Archaeology and Anthropology</p> <p><i>All levels</i></p> <p><u>Date:</u> Summer 2009</p> <p><u>Location:</u> Philadelphia, PA</p>	<p><i>Summer Internship (Unpaid)</i></p> <p>The University of Pennsylvania Museum of Archaeology and Anthropology, through its research, collections, exhibitions, and educational programming, advances understanding of the world's cultural heritage. The museum offer unpaid internships at departments, based upon need and interest, for the summer months. Every year our need for interns has been different due to the various projects that the staff has arranged for the summer months. All interns must "work" a minimum of 200 hours during the summer or semester. Most often the departments who accept interns are: American, Oceania and Archives.</p> <p>http://hws.erecruiting.com or email cao@hws.edu for application instructions.</p>	<p>3/31/2009</p>
<p>National Museum of African Art (NMAfA)</p> <p><i>All levels</i></p> <p><u>Date:</u> Summer 2009</p> <p><u>Location:</u> Washington DC</p>	<p><i>Internship</i></p> <p>Internships are offered to students enrolled in undergraduate and graduate programs and to individuals interested in exploring museum professions. Internship opportunities are available in the following departments: administration, conservation, curatorial, development, education, exhibits, photographic archives, public affairs, and registration. Candidates must have a background in art history, anthropology, museum studies, or a related discipline. Specific training in African art or other aspects of African culture is desirable, particularly in the Education and Curatorial Departments. Under the supervision of a staff member, an intern works for a minimum of 10 weeks, 20 hours per week.</p> <p>http://africa.si.edu/index2.html</p>	
<p>National Museum of the American Indian</p> <p><u>Date:</u> Summer 2009</p> <p><u>Location:</u> Washington DC or MD</p>	<p><i>Summer Internship</i></p> <p>Located just outside of Washington, D.C., the Cultural Resources Center houses NMAI's collection of more than 800,000 objects, representing indigenous cultures throughout the Americas. Internship opportunities are available in the Community and Constituent Services, Conservation, Collections, Photo and Paper Archives, Photo Services, Registration, and Technology departments. Internships are an opportunity for students to learn about the museum's collections, exhibitions, programs, and methodologies and to meet professionals in the museum field. Travel, housing, and stipends may be provided to students on a limited basis</p> <p>http://americanindian.si.edu/subpage.cfm?subpage=collaboration&second=internships</p>	<p>2/6/2009</p>

<p>National Portrait Gallery (NPG)</p> <p><i>All levels</i></p> <p><u>Date:</u> Summer 2009</p> <p><u>Location:</u> Washington DC</p>	<p>Summer Internship</p> <p>Generations of remarkable Americans are kept in the company of their fellow citizens at the National Portrait Gallery. The Gallery presents the wonderful diversity of individuals who have left—and are leaving—their mark on our country and our culture. Through the visual and performing arts, we celebrate American leaders, artists, activists, and icons of pop culture. They all link us to our past, our present, and our future.</p> <p>The National Portrait Gallery, as part of the Smithsonian Institution, offers formal internships to qualified applicants. A Smithsonian internship is a prearranged, structured learning experience that should be relevant both to the intern's academic and professional goals and to the professional disciplines represented at the Smithsonian.</p> <p>http://www.npg.si.edu/educate2/educate10.htm</p>	<p>3/1/2009</p>
<p>Shelburne Museum</p> <p><i>Seniors</i></p> <p><u>Start Date:</u> June 2009</p> <p><u>Location:</u> Shelburne, VT</p>	<p>Margie and Nate Thorne Education and Collections Management Fellowships</p> <p>Located in Vermont's scenic Lake Champlain valley, Shelburne Museum is one of the nation's finest, most diverse, and unconventional museums of art and Americana. Community Development

<p>Congressional Hunger Center</p> <p><i>For: Seniors</i></p> <p><u>Start Date:</u> June 2009</p> <p><u>Location:</u> Washington DC</p>	<p>Bill Emerson National Hunger Fellowship</p> <p>The Emerson National Hunger Fellows Program is a unique leadership development program that trains, inspires, and sustains emerging leaders committed to social justice. Program participants gain practical experience fighting hunger and poverty through placements in community based organizations across the country, as well as policy experience through placements in Washington, D.C. Each year, between twenty and twenty-four participants are selected from around the country for this eleven-month program. They assemble in Washington, D.C. in September for a comprehensive ten-day orientation and training, where they explore the reality of hunger and poverty in the United States and the various approaches to social and systemic change. Fellows are placed for five months with urban and rural community based organizations involved in fighting hunger at the local level, such as grassroots organizing groups, food banks, local advocacy groups, economic development agencies, and faith-based organizations.</p> <p>http://www.hungercenter.org/national/applicationinfo.htm</p>	<p>1/22/2009</p>

<p>Center For Cognitive Sciences</p> <p><i>Internship/Research (PAID)</i></p> <p><u>Date:</u> Summer 09</p> <p><u>Location:</u> Minneapolis, MN</p>	<p><i>Undergraduate Research Program in Behavioral and Cognitive Sciences</i></p> <p>The primary component of the program is research. Students function as active members of a faculty mentor's research team. This activity alone may involve 40 hours per week, with exact scheduling dependent upon the demands of the research projects and may include evenings and weekends. Another component is a research seminar held three times a week. These seminars include presentations by faculty and others about their research interests and career paths. Additional sessions include workshops on research ethics and integrity, technical writing, informational meetings on the mechanics of applying to and selecting graduate programs, and student initiated activities and oral presentations by the participants.</p> <p>http://www.cogsci.umn.edu/REU/REU.htm</p>	
<p>CNA</p> <p><i>Internship (Paid)</i></p> <p><u>Date:</u> Summer 2009</p> <p><u>Location:</u> Alexandria, VA</p>	<p><i>CNA Analysis & Solutions Graduate Student Summer Intern Program</i></p> <p>CAN is a non-profit organization that conducts research for US government agencies including the Dept of Defense, Education, Homeland Security, Health and Human Services etc. major areas of research include national security, international relations, military manpower and readiness, healthcare, education and technology. CNA Analysis & Solutions Graduate Student Summer Intern Program is designed to introduce graduate students not only to CNA Analysis, but also to the world of research in support of national security and public policy issues. We consider students who have enrolled in a graduate program for the fall of 2009. Up to ten students studying in the disciplines from which CNA normally hires (Physical Sciences, Engineering, Operations Research, Mathematics, Statistics, Economics, International Relations, or related disciplines) will be considered for this program. Each intern will be assigned a mentor, who is a long-standing member of CNA's Research Analyst Team, and they will work alongside a member of our Research Team (most likely the mentor) on an assigned project.</p> <p>http://www.cna.org/careers/openings.aspx</p>	1/15/2009
<p>Cold Spring Harbor Laboratory</p> <p><i>Sophomore, junior</i></p> <p><u>Date:</u> Summer 2009</p> <p><u>Location:</u> Long Island NY</p>	<p><i>Summer Undergraduate Research Program (URP) (Paid)</i></p> <p>The summer Undergraduate Research Program (URP) at Cold Spring Harbor Laboratory (CSHL) provides a unique opportunity for young people from around the world to learn first-hand about genetics, cell biology, neurobiology, and molecular biology by working and living in a scientific community that is renowned for its research and educational programs. Students work with Laboratory staff on independent research projects in the mentor's field of expertise -- specifically in the areas of cancer biology, neurobiology, plant biology, cell biology, genetics, molecular and structural biology, or computational biology. A stipend of \$4000 will be paid for the 10-week period. All room & board expenses will be covered.</p> <p>http://www.cshl.edu/URP/program.html</p>	1/1/5/2009
<p>German Academic Exchange Service</p> <p><i>Sophomores, Juniors, seniors</i></p> <p><u>Date:</u> Summer 2009</p> <p><u>Location:</u> Germany</p>	<p><i>Research Internships in Science and Engineering</i></p> <p>RISE is a summer internship program for undergraduate students from the United States, Canada and the UK in the fields of biology, chemistry, physics, earth sciences and engineering. It offers unique opportunities for undergraduate students to work with research groups at universities and top research institutions across Germany for a period of 1.5 to 3 months during the summer. RISE interns are matched with doctoral students whom they assist and who serve as their mentors. The working language will be English. All participants receive stipends from the DAAD to help cover living expenses, while partner universities and research institutes provide housing assistance.</p> <p>http://www.daad.de/rise/en/index.html</p>	1/31/2009

<p>Merck & Co. The program provides a supervised learning experience combining didactic and hands-on training. In keeping with the scientist-practitioner model of professional psychology, the program emphasizes training in both applied psychological research and clinical services. A major goal of the program is to expose trainees to the variety of roles and functions of practicing professional psychologists and thereby enable them to consolidate and refine their career goals before making an informed decision to enter professional psychology as a career.</p> <p>http://www.devereux.org/site/PageServer?pagename=ictr_ppt</p>	<p>2/1/2009</p>

Students who can stay through November 15th can be employed in one of our Wilderness Hunting camps and gain additional experience as apprentice camp jacks, game packers and/or apprentice hunting guides. A stipend, housing and food will be provided.</p> <p>www.bwo.com</p>	
<p>Overland Camp</p> <p><i>Summer Job</i></p> <p><u>Date:</u> Summer 2009</p> <p><u>Location:</u> New England, Western US, Alaska, Hawaii, the Virgin Islands, Costa Rica and Europe</p>	<p>Summer 2009 Trip Leader</p> <p>Overland leaders are outstanding role models, inspiring young adults to understand the importance of friendship, consideration, teamwork and determination. Most of our staff of 130 summer leaders have extensive leadership experience, have worked with younger students and completed at least their sophomore year of college. Language leaders are fluent in French or Spanish and have lived abroad in college. Overland programs are between one and six weeks in duration and staff generally lead multiple sections. All leaders participate in a ten-day training program, including a multiple-day backpacking or biking trip, starting on June 10 in Williamstown, MA. All staff attend leader closing in Williamstown in early August. This past summer, more than 40 leaders returned for a second, third or fourth summer with Overland. Overland offers outdoor programs (hiking & bicycle touring), service programs, language study abroad, and writing programs to young adults ages 11 to 18. Now in our 25th year, our focus on small, supportive groups, carefully crafted adventures, and inspiring leadership has enabled both students and leaders to have fun, develop close friendships, be challenged and grow in the process. First Year Salary: \$1400 (includes training, travel, food and accommodations)</p> <p>www.overlandsummers.com</p>	<p>12/08/08, 1/12/09, 3/30/09</p>
