

Would you like to spend three weeks this summer in Wales, pursuing outdoor activities like rock climbing, kayaking and caving - and receive HWS course credit?

The Outdoor Education program in Wales (May 28 – June 18, 2012) will allow you to do just that. You will join a group of adventurous students from HWS ready to challenge themselves. Faculty from the University of Wales Trinity St. David will train you to take part in a variety of outdoor adventures like rock climbing, canoeing, caving and more, as you build leadership skills, challenge yourself to overcome obstacles and learn to work well in a team. You will learn water safety and will go hiking and camping in the scenic Welsh countryside. There will be overnight excursions, as well as a week-long trip to Snowdonia National Park.

Wetsuit ready!

Rock climbing

Snowdonia

Waterfall walk, Brecon Beacons

Kayaking

The course will be worth one HWS credit. The University is situated in Carmarthen, a small market town (with its very own castle!) in West Wales, surrounded by green hills and fields.

Carmarthen Castle

Carmarthen town center

University of Wales Trinity St. David

Info session: Friday, September 30th at 4:30 in Trinity 305

(you will be able to talk to students who attended the program last summer)

Can't attend the info session? Contact Sharon Walsh at
walsh@hws.edu or (315) 781-3663

The deadline to apply is November 1, 2011

Graduating seniors are eligible for this program.

There is partial funding available for those in financial need.
