

HWS Information Technology Services Bulletin

Number: 2011-22

Date: June 7, 2011

Title: Planned Network Maintenance

Description:

Information Technology Services will update and replace network switches in some campus buildings. Updates will be performed between 9 – 9:15 a.m. and will last for about five minutes. There will also be fifteen minute network outages between 9:30 a.m. and noon in each of the locations listed below as network switches are replaced. Connectivity to campus network resources and the Internet will be disrupted during these activities.

Buildings with Network Switches to be Replaced:

- Bristol Gymnasium
- Durfee Hall
- Eaton Hall
- Smith Hall

Estimated time impacted: Sunday, June 12, 2011 between 9 a.m. and noon.
