## Student Organization Registration Form

due Oct 3, 2011

Student Organizations are a vital part of the student learning experience at HWS. Members learn critical leadership, interpersonal and creative thinking skills that augment the academic mission of the Colleges. In order to become an official HWS student organization, groups must be recognized by both Hobart Student Government & William Smith Congress (if co-ed), or by their respective council if single-sex. Once recognized, this registration form must be completed and returned each fall. Registered student organizations may apply for funds, utilize campus resources and host campus events.
